EAT AVIATION MEET COMING NEXT WEEK

HOPKINSVILLE IS TO KEEP FULLY ABREAST OF THE TIMES

SEVEN DAYS OF FLYING WITH ONE OF
THE WORLD'S GREAT AVIATION STARS,
ON THURSDAY, FRIDAY AND
SATURDAY.

JIMMY WARD, HOLDER OF ALTITUDE RECORD

HAS. O. PROWSE, A HOME BOY, AND HIS
ASSISTANT, LOCKWOOD, WILL ALSO
MAKE FLIGHTS EACH DAY.

Hopkinsville is to maintain its reputation of being the biggest little city in Kentucky by having a flying machine meet next week. Hopkinsville is fully abreast of the times and ready to keep step with the march of progress.

The following citizens are in charge of the meet, which will be held Thursday, Friday and Saturday Nov. 2, 3 and 4. The committee in charge is as follows:

W. A. Wilgus, General Mgr.
E. Cooper, Chairman.
H. Abernathy, Secretary.
D. McGowan.
Crenshaw.
W. Frankel.
Fowler.
I. Hancock.
Geo. E. Gary.
V. M. Williamson.
W. S. Harned.
Chas. M. Meacham.

There will be three aviators present to take part in the exhibitions, which will be in the triangular field on the Faulkner farm where the T. C. Railroad leaves town just south of the city. It is an ideal place for the meet, having a dense hedge fence on two sides, a natural enclosure, and the railroad on the other.

An admission fee will be charged and there will be gates on both Main street and the Canton pike.

Jimmy Ward, the noted aviator who holds the world's altitude record of more than two miles, will be the bright particular star.

Chas. O. Prowse, a Hopkinsville boy who has perfected his own invention at St. Louis, will take part. Aviator Lockwood, Mr. Prowse's instructor and assistant, will give fancy exhibitions. The citizens have guaranteed the expenses by subscribing for tickets at \$1.00 each. A dozen of the leading merchants have taken from 50 to 125 tickets and the gate receipts are expected to insure the rest.

This will be the biggest thing ever undertaken by a Southern city as small as Hopkinsville.

But it will be a success.

Hopkinsville never fails.

SURPRISE

Spring By Nomination of Legislative Candidate At Eleventh Hour.

A petition was filed in the office of County Clerk Stowe Monday night asking that the name of Esq. J. H. Cavanah, of Kelly, be placed on the official ballot under the Democratic device. No nomination had been made for the place by the Democratic party.

Hiram Brown is the Republican nominee for the place and it was not expected that he would have opposition.

Esq. Cavanah expects to make an aggressive campaign and poll not only the Democratic vote but receive the support of many Republicans as well.

END OF WALSH

Lived Only a Week After His Pardon.

Chicago, October 23.—John R. Walsh, former banker, publisher and railroad owner, released a week ago from the Leavenworth Federal prison, died today of heart disease.

Mr. Walsh had been in bed most of the time since his arrival here from Leavenworth October 15. He had been attended constantly by physicians.

Mr. Walsh was 74 years old. Death came just nine days after his release on parole from the Federal prison, where he had been sent on charges of misappropriating the funds of the bank to the use of other enterprises.

Dr. Frederick A. Cook was hooted from the stage in Copenhagen, where he attempted to vindicate himself in a lecture Tuesday night. Police had to take charge of him to give protection. Dr. Hansen denounced him as a pure swindler.

\$25,000 BONDS CALLED IN

Bonded Debt of The City Almost Wiped Out At One Stroke.

BRIDGE SETTLEMENT MADE.

Sewer Ordinance Passed Ordering Sewer on Tenth St. and Under I. C. Railroad.

The council met in postponed session Monday night and some important business was transacted.

The council called in \$25,000 of the outstanding O. V. Railroad bonds payable 1911 but due in 1921. The sinking fund for paying these bonds contains something over \$30,000 and will be increased by the collections this month. The bonds are held by the Bank of Hopkinsville and only \$15,000 are left of the original issue of \$115,000.

The bridge committee reported a settlement with the Vincennes Bridge Co. and the North Main street bridge was accepted and a balance of \$600 paid. A discount of \$400 was made to put the bridge in repair. The River Improvements Committee presented a contract for a new bridge at Second street to cost \$700, with the same company, and the council authorized the contract to be entered into. The bridge is to be done by Nov. 20.

An ordinance was passed providing for the construction of a large sewer on Virginia and Tenth streets, 980 feet long, to cost \$4097. The ordinance requires the Illinois Central Railroad Co. to construct the sewer under its tracks 225 feet under a condition of its grant by which the railroad is required to provide and maintain drainage facilities under the streets closed in entering the city. The sewer is to be of concrete.

Two additional hydrants were ordered in on East Ninth street and on Central avenue.

The Street Committee was directed to purchase 25 more metal crossings. Concrete crossings were ordered in at 17th and Virginia and Main streets.

SOLD FOR A SONG

The Gish House Goes at Auction For Only \$251.

The Gish house on the new lot upon which the Elks are preparing to build, was sold Tuesday at auction to T. H. Moore, col., who will tear it down at once. The house was a landmark containing 13 rooms, added at various times by the late Dr. D. J. Gish. The price included the outbuildings and fence, also plumbing recently put in at considerable cost.

The cost of demolishing the house is expected to be as much as it was really worth. It is believed a part of the house will be found with log walls weatherboarded over.

Menees Case On Trial.

In Federal court at Nashville the night rider case of Thomas Menees against over twenty prominent citizens of Montgomery and Robertson counties began at noon Tuesday, and will probably continue for several days. It is claimed that because Mr. Menees refused to become a member of the tobacco association and also refused to sell his tobacco to them, or through them, he was made the object of persecution by the members of the association, and by the members of an inner organization of the association, known as the night riders, was driven out of the state and now lives in Missouri. He was a merchant at Cedar Hill.
